Other Terms and Conditions

**TERMS AND CONDITIONS:**

1. All the air-conditioners as listed should be covered under this maintenance contract.
2. Under the Annual Maintenance Service Contract, the contractor shall maintain all air-conditioners units as indicated in good working condition throughout the period of contract.
3. The required tools and plants for carrying out the work shall have to be arranged by the Contractor at his cost and no tools will be arranged by NCHMCT.
4. The contractor has to arrange necessary insurance coverage to the workmen deployed by him and shall arrange necessary safety measures before starting the work. NCHMCT will not be liable for any work related injuries/illness etc.
5. The contractor shall make his own gas fillings, brazing, and welding arrangements in the place of workshop at his own risk.
6. Sufficient stock of spare parts for all kinds of machines shall be kept in his stores. The contractor shall ensure that no machine is ideal due to non-availability of spare parts.
7. In case any VRV unit remains non-functional for more than 24 hours due to non-availability of spares or other justified reasons, the contractor shall make all reasonable efforts to restore partial cooling through temporary measures, wherever technically feasible, without any additional cost to the department. It is clarified that VRV systems cannot be substituted with portable or split air conditioners; therefore, restoration shall be undertaken only through technically appropriate and feasible interim arrangements.
8. The contractor shall deploy a minimum of two qualified technicians on call, with at least one technician available onsite during normal working hours.
9. Technicians should have competency certificate in Air-conditioning issued by recognized Government Agency and shall have a minimum of 3 years' experience in the field of air conditioning maintenance. Each Technician should be in a position to independently attend and rectify all kind of servicing/breakdowns/faults in the air conditioners. The technicians have to attend periodical services and all breakdown complaints pertaining to the air-cond

itioners.

10. The contractor shall check all the machines once in every month for their efficient operation.

11. The contractor shall maintain all the machines in good working condition throughout the contract period and they will be handed over to this office in working condition on the eve of the expiry of the contract period.
